RE: Sale of property located at 9828 Timber Hts., Marshall, Va.

Dear Sirs:

Enclosed please find a copy of our Land Development Application and a copy of our deed, in reference to the above listed property. We were deeded the property in June of 1996, from my parents, David M. Loving and Margaret Loving. We built a home on it and are just starting our tenth year in the home.

We recently purchased five acres on Freestate Road in Marshall, Virginia, that we would like to build a new home on. We are requesting that we be able to sell our home in the fall of this year, so as not to create a hardship on our family finances by carrying two mortgages.

Your understanding and support in this matter would be greatly appreciated.

David W. and Rebecca J. Loving
